February 16, 2022

Dear Parents & Guardians,

We want to thank you for your patience this school year regarding the various changes we've made to our school schedule as it pertains to school transportation. Tuba City Boarding School is committed to safely transporting your child to and from their destination, and to achieve this we've made the following **new changes to the student pick up at the end of the school day.**

- **Beginning on Thursday, February 17, 2022**, buses will line up on Aspen Avenue, on the west side of the school campus to take students home.
- If you pick up your student, please park outside of the Big Gym parking lot and wait by Gate 5 to pick up your child. Teachers will check off students as they are released to parents. If you have anyone other than the parent, please notify the teacher in advance.

The primary reason for the change in pick up location at the end of the school day is strictly for safety measures. As each day goes by the transportation routine will become easier.

Thank you for your continued support of your child's education and partnering with the teachers and staff of Tuba City Boarding School.

Sincerely,

Mr. Don Coffland, Principal
