

Thursday, May 5, 2022

Dear Parents/Guardians,

Our Little Thunderbird Academy Department at the Tuba City Boarding School would like to announce our End of the Year Celebration for our Kindergarten students. Our Kindergarten team have decided to acknowledge student participation by doing a drive-by parade on Wednesday, May 18th, 2022 at 9:00 am DST. A celebration parade is the safest way to highlight our kindergarten students while adhering to Covid-19 safety protocols and measures.

At this time, your parent involvement is crucial, to help support and recognize your child for their efforts throughout the 2021-2022 school year. During this parade, families will have the opportunity to dress up their child and decorate their vehicle to showcase their child in the parade. On the parade route, at the administration horseshoe parking lot, your child will be recognized by the LTBA department/Kindergarten Team.

On the day of the celebration parade event, parents may begin lining up their vehicles at the Thunderdome parking lot at 8:30am DST. The celebration parade will be from 9:00am - 10:00am DST. For safety reasons, students are to stay in their vehicles throughout the parade route. Please keep in mind that your child's participation in the celebration parade is optional and is not required.

A flyer of the celebration parade is enclosed. If you have any questions or concerns, please contact your child's kindergarten teacher or educational technician.

Best Regards,
LTBA Kindergarten Team
