8th Grade Promotion

Tuesday, May 10, 2022

Parent and Guardians,

The Tuba City Boarding School Thunderbird Academy would like to announce the End of the Year Promotion Celebration for the eighth-grade students. Tuba City Boarding School wants to acknowledge student efforts given the obstacles experienced this academic year by having a live promotion on the Tuba City Boarding School Football Field on Tuesday, May 17, 2022, at 9:00am DST. The promotion will be live streamed for all individuals unable to attend due to limited attendance.

The Navajo Nation Department of Health has identified Tuba City as a community with uncontrollable spread of COVID-19, therefore; each student will receive 4 tickets for family members to attend promotion. Tuba City Boarding School believes this is the safest option for student recognition where community, parents and family members can still participate but with limited numbers. The school will follow the CDC guideline protocols regarding COVID-19 to ensure our community, elderly, and immune compromised individuals are protected. The Navajo Nation Department of Health has recommended that 75% capacity is acceptable when events are hosted outside. Tuba City Boarding School is accommodating this percentage. Please understand that safety for all individuals is the primary focus and this is the reason for the limited in person attendance and the event being live streamed.

On the day of the event students are being asked to report to the school and their designated homerooms at the regular school time, 7:45am. Students will be able to finalize dress and receive final instructions from staff prior to the promotion event. The event is anticipated to be between 30 to 45 minutes. Parents are asked to arrive at 8:15am and park in designated parking spaces on campus and street.

Tuba City Boarding School looks forward to seeing on this occasion in recognition of your students' accomplishments. Thank you for your dedication to your child's education, it is appreciated and commended.

Respectfully,

TCBS Administration

All COVID-19 safety measures and protocols will be strictly enforced
