Dear Parents/Guardians

Welcome to the 2020-2021 school year! While the start of this year may look different from any we've ever experienced before, the sense of anticipation and excitement hasn't changed. We felt it as we were planning for the school year and preparing for greeting students next Wednesday, September 16, 2020! We know you are all eager to meet your teachers and get to work! So please find the schedule below for the first days of school and additional information that will assist with planning.

September 15-16, 2020

Instructional resources (backpacks) will be delivered for each student via bus route. The backpacks will be labeled with the student's name. Please visit the TCBS Home Page for the bus route schedule.

September 16, 2020

Teachers/Learning Coaches will make phone contact with students to provide instructional direction regarding materials in the backpacks and information about the upcoming school year.

Breakfast/Lunch meals will be delivered to enrolled TCBS students via bus route.

September 16-18, 2020

Parents that have indicated they need an I-Pad/laptop/hotspot will begin receiving these items beginning September 16 through September 18, via bus route. At this time one device per household will be assigned and students will need to share. Families are welcome to use their own devices (i.e. laptop, IPad, desktop etc.). If there is a need for additional devices they will be made available in mid-October.

Thank you for your continued support and partnership with Tuba City Boarding School! We look forward to an unprecedented school year!
